FDC DANCE RETREAT 2018

August 6-9 we will be preparing all Fusion dancers with our annual intensive week. Guest teachers and in-house choreographers will be working with all Fusion kids...training in all styles, learning choreography for their new routines, team building with the new 2018-2019 Fusion Family, and more!!! This week is the FUSION WAY of kicking off the year! All Mini and Fusion dancers will be required to attend ALL 4 DAYS. Minis: \$125.00 per dancer (attends 9:00-1:00 daily). FDC Dancers: \$175.00 per dancer (attends 9:00 AM – 4:00 PM daily). A detailed schedule will be given out after auditions.

FDC Placement:

Each year dancers must audition for a space in Fusion Dance Company. The auditions are FREE, and there are different sections relating to each style. The purpose of the audition is to accept dancers into FDC 2018-2019, and for placement / casting in to technique classes and group routines.

Dancers who want to perform, train and compete with **jazz** (and its related styles) must attend the **Jazz Audition**. This includes ballet, contemporary and a jazz combination. Dancers who want to perform, train and compete in **hip hop** must attend the **Hip Hop Audition**, which includes tricks/skills and a hip hop combination. Dancers wanting to perform and compete in **tap** must attend the **Tap Audition** for upper level tap classes III and/or IV to be placed in the correct class. **Please follow the auditions age guidelines.** All auditions are kept positive and encouraging!! We ask that dancers come prepared focused and attentive. No talking is allowed during auditions. Dancers should wear the appropriate attire and shoes for each style. Dancers are scored on technique and performance ability. After the audition, a cast list with each dancer's number will be posted. These results announce the members of FDC 2018-2019. All dancers will be evaluated and grouped according to the ability of the dancer and the artistic vision of the director and choreographers.

Results: they will be posted on the front door of the studio on Sunday, July 29 at 9:00 AM. Please make sure you keep your number, as dancer's numbers will be posted (not names). Please make sure you give us the correct email address at auditions so that we may contact you when needed.

Casting/Groups for routines will be based on the choreographer's and director's vision for each piece. Dancers must possess the necessary skills (or potential to have those skills) that each routine requires. We are also looking at the level each dancer is at the time of auditions, and group them according to how we think they will grow the most. We whole-heartedly believe that all dancers are worthy of this opportunity, so there will be routines and parts for every company dancer. Just like in all activities, there are different levels of difficulty and skill. And just like in all areas of life, we must put the work in to achieve them. Sense of entitlement can break a dancer's spirit, and it is our job to help them understand that growth comes from education and training. Groups/class schedules are announced after company auditions results.

We are excited to form our FDC group for the 2018-2019 season! Please show encouragement and support for everyone during this process and at results.

We have intentionally allowed for cross-over ages. All children grow and develop at different paces when they're younger, and we want to place them where they will have the best experience as a young dancer. Both their physical dance training and social growth is important to us, so please let us know if you have any questions which audition to bring your dancer to. We can help guide in this process.
